

DESTINATION PLAYGROUND

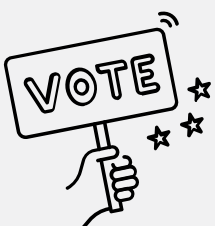

On Oct. 17, Baltimore County officials joined Baltimore Ravens president **Sashi Brown** and the team's rookie class to celebrate the completion of Owings Mills' first destination playground, made possible by a \$500,000 contribution from the Ravens as part of the NFL's Play 60 Initiative. Located in Northwest Regional Park, the playground includes a wheelchair-accessible rubberized surface, timed challenge course with obstacles, artificial turf 40-yard dash, musical elements, custom climbing structures and a towering play system with slides reaching more than 17-feet tall.
