

## BearsFit Youth Challenge

Based on the four down of football, students learn the four points to adopting a healthy and active lifestyle. For complete info on the incentive-based portion of the program and further prize info visit [ChicagoBears.com/community/bears-fit-youth-challenge](http://ChicagoBears.com/community/bears-fit-youth-challenge).

## Tales To Tackle

Staley combines education and comedy to create a hands-on assembly exploring reading comprehension and the differences between fiction and non-fiction.

## Bear Down On Bullies

Staley discusses five common types of bully behavior, and several ways in which your students can help tackle this ever-growing problem. Students learn that treating classmates like teammates can foster a positive learning experience for everyone involved. Staley encourages students to add their own name to the Staley autographed "Bear Down On Bullies" banner presented to each

school he visits as a reminder to Bear Down On Bullies!

## More Staley Programs:

- Back To School Kickoff
- How to Handle Standardized Testing

Staley has a wide array of appearance packages available for your school! Whether you are looking to plan an action-packed all school assembly, classroom visit, or after-school function, Staley has something for everyone.

## All School Pep Rallies

Motivating students to excel in their studies can sometimes prove challenging. Thankfully Staley has developed an assortment of assemblies designed to encourage your students to give it their best. Each interactive, high-energy 45-minute show can be customized towards your school's specific needs. Pep assembly topics include:

### Back to School "Kick Off"

A hands-on "back to school" gathering in which Staley and his Emcee are guaranteed to have your students psyched and eager to learn throughout the entire school year. Topics include choosing healthy foods, getting proper rest, being prepared for class, and how to show respect towards your fellow classmates.

## "How to Handle Standardized Testing"

No one enjoys taking tests, but with a little help from Staley your students will learn several important steps they can take to better prepare for tests. Topics include proper rest, eating a healthy breakfast, trying your best, and what to do when you are unsure of the answer. Interactive games and activities are intertwined to further motivate your students.

## "Field Days" and Other School Events

Staley is now scheduling for "Field Days" and other school related functions. Staley currently has two unique packages available:

### "Just Staley"

Includes a 45-minute appearance by Staley and all his wacky antics. Staley brings autograph cards, silly string, and several other crowd related props to help turn an ordinary school day into an extraordinary school day. This appearance is perfect for lunch time or recess.

### "Staley's Dance Express"

Staley loves to "bust-a move" and shake what his mama gave him. "Staley's Dance Express" includes a one hour appearance by Staley and his van! (Since when do Bears drive?) Staley's van is capable of being transformed into an interactive station during your field day or special event. This package comes complete with DJ equipment, emcee, interactive music (Cha-Cha Slide, YMCA, etc...), dance contests, and football skills games.

*\* Staley can also work with your school and administrators to develop a program specific to your individual needs.*
