Mobile Ticketing How-To Guide

How To Post Your Ticket For Resale

Mobile tickets are required for Rams home games. Please ensure your mobile device is using the most recent operating system on iOS and Android.

Download the Rams mobile app and tap the ticketing icon in the upper right corner.

Or visit therams.com/am and select "Sign In"

Enter your email address and password associated with your Rams account, then "Sign In". If this is your first time signing in, select "Forgot Password?" to reset your password. If you receive this message, select "Sign Up" and enter your information. It will create you a Ticketmaster account. Once your information is entered, you'll be able to access your Rams Account Manager.

Once you sign in, your tickets will appear in your account.

On the webpage you will be prompted with two options. Select "Manage Tickets".

All of your tickets eligible to post for resale will show a "Sell" button. Select "Sell".
