Her dedication and hard work paid off when she joined the renowned UCLA Dance Team, where she spent three years perfecting her craft. Following her time at UCLA, Jordie had the incredible opportunity to be a part of the esteemed Laker Girls, representing the Los Angeles Lakers for a season.

Alongside her ambitions in dance, Jordie applied herself to her academics at UCLA and graduated with a degree in psychobiology in 2020, demonstrating her commitment to both her intellectual and artistic pursuits. Building on her educational foundation, she recently completed an Accelerated Bachelor of Science in Nursing. Jordie's ultimate goal is to become a pediatric registered nurse and eventually attend nurse practitioner school, where she can continue to make a positive impact on the lives of children. She aims to pass her nursing boards exam and become a pediatric registered nurse, furthering her education to provide even more comprehensive care to young patients.

When asked about her motivation to audition for the Raiderettes, Jordie emphasized the team's exceptional dance abilities and the inspiring women who make up the squad. She was drawn to their strength, success, and compassion, recognizing the positive influence they have on the community, both on and off the field.

As a Raiderette, Jordie's favorite aspect of the team is the unwavering support and love she receives from her teammates and the staff. She knows that she can rely on them, no matter the circumstances, creating a strong bond that enhances her experience as a member of Football's Fabulous Females.

Beyond her involvement with the Raiderettes, Jordie finds immense fulfillment in working with children in the community. Jordie's own perseverance and resilience serve as a testament to the power of determination.

Jordie's dedication to her craft, combined with her compassionate nature, makes her an invaluable member of the Raiderettes. As she continues to pursue her nursing career, she will undoubtedly leave a positive impact on the lives of those she encounters, both on and off the field.
