

# RAIDERETTE OF THE GAME

PRESENTED BY **EōS FITNESS**

## Vicky

Vicky's passion for performance began at a young age, starting with gymnastics classes and transitioning to dance at the age of 8. Throughout middle school and high school, she continued to pursue her love for dance, and when she moved to Memphis, she danced at the collegiate level for four years. During her time in college, Vicky had the opportunity to compete nationally and consistently ranked in the top 5 across the country.

After graduating with a bachelor's degree in marketing, Vicky returned to her hometown of Las Vegas and currently works for one of the biggest nightlife groups in the city. When she's not working, she dedicates her time and energy to the Raiderettes, showcasing her talent and representing her beloved team.

Auditioning for the Raiderettes was a dream come true for Vicky. Growing up in Las Vegas, she always knew that dance would be a significant part of her life. After high school, she continued her passion through college, knowing she wanted to take her skills to the professional level in the future. In 2020, she took the leap of faith and auditioned for the Raiderettes, successfully making the team, and proving herself a valuable asset on and off the field these past three seasons.

Wearing the Silver and Black and representing her hometown fills Vicky with immense pride. She considers it an honor to be a part of the Raiderettes and to have the opportunity to perform in front of thousands of fans. Vicky's dedication, talent, and love for dance make her a true asset to the team, and she continues to inspire others with her hard work and determination.

As this week's Raiderette of the Game, Vicky serves as a role model for aspiring dancers and cheerleaders. Her journey from a young girl with a passion for dance to a professional cheerleader is a testament to the power of perseverance and following one's dreams. The Raiderettes are lucky to have Vicky as a leader and Captain, and we look forward to seeing her continue to shine on and off the field.
