

TURKEY FOOTBALL — FOOTPRINT ACTIVITY —

What You Will Need:

Pencil	Brown Craft Paint
Markers	White Craft Paper (2 pieces)
Scissors	Brown Construction Paper (1 piece)
Glue	Yellow Construction Paper (1 piece)
Black Permanent Marker	Red Construction Paper (1 piece)
Chalkboard Pen	Craft Eyes
Paper Plate	

Instructions:

Step One: Pour brown paint onto a paper plate. Press baby's feet into paint and then press their foot onto a piece of white paper. Set aside until it dries.

Step Two: Cut out baby's footprint and turn it toes down to make turkey body.

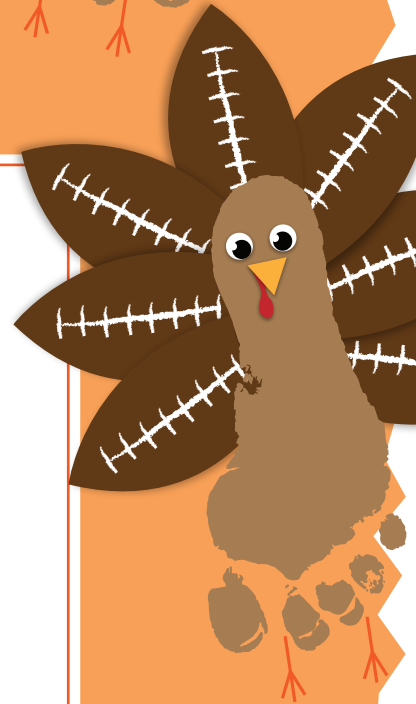

Step Three: Draw and cut out 7 footballs onto brown construction paper, making each about 3" long. Then use chalk to draw on the laces.

Step Four: Draw a triangle on yellow paper to use as the turkey's beak. Use red paper to draw the turkey gobbler.

Step Five: Once your baby footprint has dried, glue on the eyes, beak, and gobbler.

Step Six: Glue the footballs on to the back of the footprint, a.k.a. your turkey. Spread them out like feathers.

Step Seven: Lastly, glue your turkey on the Turkey Football white paper sheet. Then use an orange marker to draw on turkey legs at the bottom.
