

General Tour FAQ's

Deciding what kind of tour to take? What's the difference between a public tour and a private group tour?

Our Self-Guided Tours allow our fans to experience all that our stadium has to offer while having the freedom to move about at their own pace. Self-Guided Tours are typically offered on the weekends, as our event schedule allows.

Private group tours are offered Tuesday through Friday. This type of tour is led by a guide and is designed for groups of at least 10 people or more.

When can I go on a tour?

We offer tours year-round on most days of the week, depending on our game and major event schedule. We do not have tours on game days or major event days.
