

RAIDERETTE OF THE GAME

PRESENTED BY **E6SFITNESS**

Makenna

Meet our incredible Raiderette, Makenna, a standout member of the team who brings energy and inspiration both on and off the field. Currently serving as a high school substitute teacher and Varsity Cheer Coach, she has made significant contributions to her students and the Raiderettes squad alike. This year, she took on the exciting role of Head Coach for the Las Vegas Aces Wild Card Crew, further showcasing her leadership skills. Makenna's experience as a member of the UNLV Rebel Girls world champion team has undoubtedly prepared her for this success. As she embarks on her fourth season as a Raiderette, her commitment to cheerleading and her community shines through in everything she does.

From sunny Phoenix, Arizona, her journey is marked by a vibrant love for performance and team spirit. When she's not dazzling audiences with her cheer routines, she enjoys unwinding with her favorite TV shows, *Glee* and *Modern Family*. The joyful escapism these series provide reflects her own upbeat spirit, allowing her to relax and recharge after a busy week of teaching and cheering.

Living in Las Vegas, Makenna embraces the excitement this city has to offer. While it's a common sentiment, she believes the entertainment, fine dining, and the rich experiences she's had as a Raiderette make Vegas truly special. This vibrant atmosphere complements her dynamic personality and fuels her passion for performance.

One of her favorite quotes, "She leaves a little sparkle wherever she goes," perfectly encapsulates her essence. It's not just a mantra; it's a way of life. Inspired by her family, she continually strives to be the best version of herself, embodying resilience and optimism in her daily pursuits.

Looking toward the future, Makenna's aspirations reflect a deep desire for a fulfilling personal life. She envisions a big, loving family living on a farm surrounded by nature, with chickens and horses adding to the joy of everyday life. Additionally, she dreams of sharing her passion for dance—an art form close to her heart—with others. Teaching dance represents not only a career opportunity but a chance to inspire the next generation in a way that resonates with her own journey.

As a Raiderette, this spirited cheerleader embodies the perfect blend of passion, inspiration, and aspiration. Her journey is a reminder that with dedication, love, and a sprinkle of sparkle, one can chase dreams while leaving a positive impact on those around them.
