

## WELCOME TO UTAH!

Here's What You Need to Know About Liquor Laws (because even fun has rules!)

### 1. Food First, Fun Always

If you're ordering alcohol, you'll need to order some food too. Utah law loves a good meal with your drink!

### 2. ID, Please

No matter how young you feel, we scan ID for everyone ordering alcohol. Thanks for keeping it simple!

### 3. One Drink at a Time

In Utah, you're welcome to enjoy a drink, but only one at a time per person.

### 4. No BYOB

Sorry, you can't bring your own alcohol to licensed establishments, but we've got plenty of options for you to enjoy!

### 5. No Service to the Over-Served

We want everyone to stay safe. If it looks like you've had too much, we'll pause the fun.

### 6. Stay Seated!

In accordance with local regulation, guests are not permitted to walk around the restaurant with a drink in hand.

Please remain seated while enjoying alcoholic beverages.

Enjoy Responsibly

Thanks for following the rules and making Utah a great place to eat, drink, and relax!
