

Delaney S

This season, we're proud to celebrate Delaney S as our Raiderette of the Game. Originally from San Clemente, California, Delaney brings enthusiasm, determination, and an adventurous spirit to the Raiderettes. Now in her third season, she continues to make a meaningful impact both on and off the field.

Outside of her role as a Raiderette, Delaney works on the Global Partnerships team at UFC, where she combines her passion for sports and entertainment with creating memorable experiences. As she continues to grow professionally, Delaney remains committed to embracing new opportunities and challenging herself along the way.

Delaney is also an exceptional teammate hardworking, kind, dependable, and always willing to support those around her. Whether offering encouragement, lending a hand, or celebrating her teammates' accomplishments, she consistently brings positivity to the team. Her generous spirit and dedication make her someone others can always count on.

What makes Delaney especially unique is her willingness to take chances and step outside her comfort zone. She believes it is better to say, "At least I tried," than to look back and wonder, "I wish I had taken the chance." Even when the future is uncertain, Delaney trusts that taking the leap and embracing the unknown will lead to growth, new perspectives, and valuable lessons.

One of Delaney's favorite things about Las Vegas is its world-class entertainment. Since moving to the city, she has enjoyed opportunities to see some of her favorite artists perform live. From incredible concerts to unforgettable events, Delaney is grateful to call a city filled with so much energy and excitement home.

Her favorite quote perfectly reflects her outlook on life: "You miss 100% of the chances you never take." It is a mindset that inspires Delaney to pursue new experiences, welcome challenges, and make the most of every opportunity.

Looking ahead, Delaney hopes to continue growing in her career with UFC, travel the world, and create meaningful memories wherever life takes her. Her positivity, courage, work ethic, and kindness make her a deserving Raiderette of the Game and an inspiring member of the Raiderettes family.
