VIKINGS LIVE BROADCAST

Vikings Live is a half hour show from TCO Studios featuring a live audience. The show features a live player interview by voice of the Vikings Paul Allen. In addition, former Viking Matt Birk along with former Gopher and Ravens receiver Ron Johnson will provide expert analysis to break down the week that was for your favorite team and preview the upcoming Vikings game.

Vikings Live airs on Fox affiliate KMSP.

SCHEDULE & DEADLINES

For the full broadcast schedule, visit: www.vikings.com

Please contact your partnership representative for deadline.

If updating throughout the season, send updated traffic at least 1 week in advance.

Please send your commercial and traffic instructions to KMSP and your Vikings representative.

Please contact your Vikings Partnership representative with any questions.
