

To Dayton,

I want to send my deepest condolences to the people affected by this tragedy. This hits really close to home and a day does not go by when I am not thinking of you all. These past few weeks have been tough for our community. But the people of Dayton will rise, and this act of terror will bring our community together.

God bless the people of Dayton.

I am honored to be a part of the Vikings organization. I know this generous donation will support the people affected by this tragedy.

The people of Dayton, just know that you are not alone. The Wilf family and the entire Vikings organization supports you all. Let the healing commence. Remember to love one another during these times.

Sincerely,

Ifeadi Odenigbo
