

To Our Dearest El Paso,

I, Along with my family wish to Convey our deepest Condolences to our beloved City. We are always going to be connected to the Borderland and the beautiful people that make up that community. We are hunting for those of our fellow El Pasoans who have suffered through the unthinkable these past few weeks. We also, like the rest of our resilient community, are committed and driven to support those families going forward.

I am so very proud to be a part of this great organization and this donation. With it, My Family, the Wilf Family and all of our Vikings Family want you to know that we stand with the people of El Paso. We hope that this donation will further support those who need it the most and that it will help lead to healing.

We Love You, El Paso. We are Proud of You. We are with YOU

Sincerely,
Rob & Holly Rodriguez
