GAME SUMMARY

The Minnesota Vikings (3-5), winners of two straight, travel to play the Chicago Bears (5-4) for the first time in 2020 with kickoff set for 7:15 p.m. CT at Soldier Field in a matchup televised on ESPN's *Monday Night Football*.

The Vikings are coming off their second NFC North victory this season with a 34-20 home win vs. Detroit. In Week 9, the Bears lost to the Titans on the road, 24-17.

Vikings RB Dalvin Cook is coming off the best two-game stretch of his career, totaling 478 yards from scrimmage and six total touchdowns over the last two weeks. Cook is first in the NFL rushing yards (858) and leads the NFL in rushing touchdowns (12) despite missing a game due to injury and already having the Bye Week. Cook totaled 226 scrimmage yards and against the Packers and 252 vs. Detroit, setting a new a career high each time. Cook's 13 touchdowns already tie him for 12th in a single season in team history and tie his career high, which he set last season.

LB Eric Kendricks, who has led the team in tackles for five consecutive seasons, is currently third in the NFL with 84 total tackles through Week 9. LB Eric Wilson is the only player in the NFL with at least three interceptions and more than 1.0 sack. Wilson currently has 2.5 sacks on the season.

WR Justin Jefferson's 627 receiving yards lead all rookies in 2020. His receiving yardage total is already the fifth most for a rookie in Vikings history and is the most ever for a Vikings rookie through the team's first eight games, edging out Randy Moss's 593 yards in 1998.

BE THE CHANGE

In June 2020, the Minnesota Vikings and the Wilf family announced a \$5 million donation to social justice causes throughout the United States. Following the announcement, the team's social justice committee held a series of meetings to determine how to actively engage the community through player involvement and financial donations during the 2020 season. **On September 8, the team announced nearly \$1 million will go toward the expansion or launch of multiple initiatives in one of three areas of focus: 1) voter education and registration; 2) educational curriculum on racism and Black history; and 3) law enforcement and criminal justice reform.**

VOTER EDUCATION AND REGISTRATION AWARENESS

Working together with the Office of the Secretary of State, the Vikings are using the team's platform to encourage fans to register and safely participate in the electoral process. The Vikings will launch a series of player-led voting content and make it easy for fans to find voting information via [Vikings.com/bethechange](https://vikings.com/bethechange). The team will also help provide personal protective equipment (PPE) for polling workers throughout Minnesota. Additionally, the team has hosted voter educational sessions with the entire Vikings staff and players/coaches in conjunction with Rock the Vote and Secretary of State Steve Simon with the goal of having 100% of the organization registered to vote in the November election.

ALL SQUARE

The Vikings will further expand the team's commitment to [All Square](#), a local nonprofit social enterprise that invests in the minds and lives of formerly incarcerated individuals. Centered on a craft grilled cheese restaurant, professional development institute, and forthcoming civil rights law firm, All Square's mission is to ensure that those impacted by the criminal justice system have the support and opportunities they deserve to become our country's future leaders, business owners, legal practitioners and entrepreneurs. The Vikings engagement will focus on All Square's Fellow & Fellow Alum Fund.

GEORGE FLOYD MEMORIAL SCHOLARSHIP

In June, the Vikings created the George Floyd Legacy Scholarship with a \$125,000 endowment that will generate approximately \$5,000 annually to benefit African American graduating seniors in Minneapolis-St. Paul who are pursuing post-secondary education. The inaugural recipient, Mimi Kol-Balfour, was selected following her essay submission and was informed last week via videoconference by Vikings Owner/President Mark Wilf, General Manager Rick Spielman, running backs Alexander Mattison and Ameer Abdullah, and linebackers Anthony Barr and Eric Kendricks. Kol-Balfour is a graduate of Southwest High School who will be attending Barnard College this fall.

CRITICAL CONVERSATIONS

In partnership with [RISE \(Ross Initiative in Sports for Equality\)](#), the Vikings will host a series of Critical Conversation sessions with Minnesota High School athletic programs to help address issues of race and injustice. Vikings safety Anthony Harris and linebacker Anthony Barr spoke in August to a group of high school coaches to discuss the importance of having these conversations in a team environment. The program with RISE will further formalize the discussions and provide statewide access for Minnesota athletic programs to engage on these important issues.

306: BLACK HISTORY CURRICULUM EXPANSION

In 2016, with a focus on integrating Black history into mainstream U.S. history and developing courses devoted to the African American experience, the Vikings became the first NFL team to partner with Everfi in an effort to bring a [306 Black History](#) curriculum to Minnesota students. The interactive course informs and inspires today's students through history's most important stories of Black women and men who overcame obstacles through grit, strength, creativity and intellect. The digital curriculum incorporates videos from Vikings Legends, provides direct source materials and allows students to explore and reflect on key themes of Black history. Now in its fifth year, the program has since been replicated by the NFL in many markets. In 2020, the Vikings will expand the curriculum from 12 to 24 schools and reach thousands of students.

PROJECT SUCCESS

In 2019, the Vikings partnered with [Project Success](#), a Minneapolis-based organization focused on helping kids develop life-skills, support and confidence so they are more successful and engaged during high school and more prepared for life after graduation. The two organizations took 50 students of color from Minneapolis, along with Vikings running backs CJ Ham and Ameer Abdullah and safety Anthony Harris, to Washington, DC, for a special experience that included a visit to the National Museum of African American History & Culture. The trip was to be replicated in 2020, but due to COVID-19, this year's plan will be a day-long virtual experience and the Vikings and Project Success plan to return to DC in 2021.

FURTHER INVOLVEMENT AND INVESTMENT

The Vikings are also increasing the team's investment in and involvement with the following groups:

- Hennepin County & Ramsey County Juvenile Detention Centers
- Jeremiah Program
- The Link
- Page Education Foundation
- People Serving People

VIKINGS SOCIAL JUSTICE COMMITTEE

The Minnesota Vikings Social Justice Committee consists loosely of 10 members and any player or coach is free to join the meetings. Co-Defensive Coordinator/Defensive Line Coach Andre Patterson has been part of the group, meeting regularly with Eric Kendricks, Anthony Barr, Alexander Mattison, Kirk Cousins, Kyle Rudolph, Ameer Abdullah, Adam Thielen, Anthony Harris and Harrison Smith on social justice initiatives.

Throughout the year, player-driven efforts strive to create meaningful dialogue and change in the community on issues related to building unity, hope and positive community relationships. The Vikings approach includes spending time with young people at schools, community organizations and juvenile detention centers and dedicating financial resources to organizations that work for positive change.

Over the previous two seasons, the Wilf family has made a \$500,000 commitment to the Social Justice Committee (\$250,000 each year). Those dollars were directed toward scholarships for low-income students, school supplies, legal aid for disadvantaged and underrepresented populations and law enforcement relations.

VIKINGS IN THE COMMUNITY

WILF FAMILY SURPASSES \$5 MILLION IN DONATIONS TO COVID-19 CAUSES

The Wilf family, owners of the Minnesota Vikings, have surpassed \$5 million in donations to COVID-19-related causes after their \$1 million contribution to United Way Worldwide, one of six national charitable organizations recommended by the NFL as part of its Draft-A-Thon fundraising campaign tied to this year's NFL Draft.

Through the Wilf Family Foundations and the Minnesota Vikings, the \$5 million in donations and commitments since the pandemic arose have been contributed in New York, New Jersey, Minnesota, across the United States and in Israel. These donations have supported health care workers, the elderly, food banks, social service organizations and Jewish philanthropic causes.

JEFFERSON DONATES FACE MASKS

Justin Jefferson teamed with Genies and Bella + Canvas to donate 10,000 masks to Children's Minnesota in June.

HUNTER, COOK DONATE MADDEN CHECKS

Danielle Hunter and Dalvin Cook announced in April that they each would donate their royalty checks from EA Sports for appearing in "Madden 20" to North Memorial Health Foundation so that doctors, nurses and other healthcare workers could purchase personal protective equipment.

THIELEN FOUNDATION DONATES \$25K

Adam Thielen and his wife, Caitlin, through the Thielen Foundation, donated \$25,000 to Second Harvest Heartland to help ensure that young people in local communities have the nutrition they need during the COVID-19 pandemic.

The Thielen Foundation also partnered with KFAN 100.3-FM and iHeart Radio-Minneapolis in April for a Minnesota Covid Relief Virtual Radiothon that ran from 6 in the morning to 6:30 in the evening, raising more than \$280,000 for The Salvation Army, Second Harvest Heartland, M Health Fairview and MN Disaster Recovery Fund for Coronavirus.

BARR PROVIDES EMERGENCY GRANTS

Through his Raise The Barr foundation (which focuses on helping single parents complete their postsecondary education), the Anthony Barr offered \$500 emergency grants to any current or former Raise The Barr scholarship recipients. In March, all 34 recipients who applied received the grant for a commitment of \$17,000 from the foundation.

UDOH DELIVERS FOR HEALTH CARE WORKERS

In May, Olisaemeka Udoh donated and delivered 500 meals to workers at Cape Fear Valley Medical Center in his hometown of Fayetteville, North Carolina.

He also made a donation to Second Harvest Food Bank to help families in North Carolina.

RUDOLPH LAUNCHES 'MEAL PLAN'

Kyle Rudolph and his wife Jordan made a personal donation to Second Harvest Heartland in March that provided 82,000 meals to Minnesotans who are being hit hardest by repercussions of the COVID-19 pandemic and school cancellations.

Rudolph also set a goal of raising \$200,000 for Second Harvest Heartland, which will provide 600,000 meals for local families. He set up the Rudy's Meal Plan campaign and encouraged whoever is able to join them in supporting the nonprofit.

Throughout the offseason, the tight end organized food drives for communities hardest hit by the pandemic and store closings in Minneapolis.

KENDRICKS DONATES PAINTING PROCEEDS

In March, Eric Kendricks announced that he would create paintings and sell them on Instagram, with the proceeds going to food banks in the city of the person who bought the painting.

Kendricks listed each painting at \$1,000, and then matched that price, with a total of \$2,000 going to each food bank.

VIKINGS YOUTH FOOTBALL

The Vikings Youth Football mission statement is to grow, support and promote youth football through fair play, health/safety and academics. Innovative programs reach youngsters through the High School Player Development 7-on-7 Tournament, Youth Football Camps, USA Football Coaching School, equipment and field grants, the Vikings All-State Football Team, Minnesota Mr. Football, the High School Coach of the Week Program and the High School Coach of the Year. In 2018 the Vikings started hosting high school games at TCO Stadium in the Vikings Prep Spotlight series, playing 5 regular season games and 3 state quarterfinal playoff contests since.

The Vikings connect with youth football programs across the state through clinics, camps and encouraging participation and safety. Teaching youth coaches proper techniques and how to play the game safely gives players the best chance for success and a positive experience. Head Coach Mike Zimmer has hosted an annual camp for youth, hosting over 500 youngsters at TCO Performance Center in spring 2019. Growing our great game at the grass roots level has been an emphasis for the organization, resulting in expanded programs, recognition for top players and coaches and building strong community bonds in youth football.

VIKINGS CELEBRATE 60TH SEASON IN 2020

The Minnesota Vikings will commemorate the organization's 60th season in 2020. The NFL franchise was granted to the state during a league owners meeting on January 28, 1960, and the club kicked off its first season on September 17, 1961 against Chicago.

CELEBRATING 60 SEASONS

In commemoration of the 60 seasons, the Vikings are set to celebrate in various ways ranging from limited edition 60th season Miller Lite cans to the Season of Firsts exhibit at the Vikings Museum to honoring the 60 Greatest Fans of All Time presented by U.S. Bank.

MILLER LITE 60TH SEASON LIMITED EDITION CANS

Launched in August, Miller Lite created a limited edition can to commemorate the Vikings 60th season. The can, which utilizes new designs to celebrate the historic season, will be available in bars, restaurants and liquor stores through the end of 2020.

60 GREATEST FANS OF ALL TIME PRESENTED BY U.S. BANK

Throughout the 2020 season, the Vikings will honor the top 60 fans in team history. In order to celebrate the fans who have made Minnesota great over the course of 60 years, individuals across the world are able to nominate themselves or someone else to be one of the 60 Greatest Fans of All Time. To start the nomination process, fans may visit Vikings.com/60Fans to answer a few questions about their fandom and tell the Vikings why they deserve to be one of the 60 Greatest Fans of All Time. Fans will also have the opportunity to upload photos and videos to support the nominations.

VIKINGS MUSEUM OPENS SEASON OF FIRSTS EXHIBIT

In August, the Vikings debuted the Season of Firsts exhibit at the Vikings Museum. The exhibit features a series of memorable firsts, beginning with a shocking inaugural upset victory and ending with the selection of the team's first two Pro Bowlers. The museum will be open for visitors to tour throughout the 2020 season. For hours, ticket and general information about the Vikings Museum, visit Vikings.com/Fans/Vikings-Museum.

HAVE A SEAT AT OUR FAMILY TABLE

In June 2019, the Minnesota Vikings Foundation, in partnership with Xcel Energy, introduced Vikings Table, a custom-built food truck with the mission of serving healthy meals and nutritional education to youth across the Minneapolis-St. Paul community.

- The 38-foot, Winnebago truck is a zero-waste vehicle with energy star rated appliances and built-in solar panels.
- The kitchen is designed to hold 10 food preparation professionals, while the rear portion of the vehicle features an experiential room showcasing an 80-inch monitor that can display educational videos and nutritional information.
- Meals are served from June to December on a biweekly basis at schools, summer education programs, youth enrichment centers and other locations where childhood food insecurity is prevalent.
- Funds are raised by selling a separate full menu of food truck entrees twice a week at local food truck festivals, Vikings home games, training camp and other team events, as well as to the lunch crowd in downtown Minneapolis; 100 percent of the profits go back to distributing healthy meals to youth.
- A full schedule can be found online at the Minnesota Vikings Foundation website or via the Twitter handle @VikingsTable.
- Viking Table is maintained and operated by Tony and Haley Fritz
