GAME SUMMARY

The Minnesota Vikings (6-7) meet the Chicago Bears (4-9) at Soldier Field on Monday, Dec. 20, at 7:15 p.m. (CT) for their 16th *Monday Night Football* matchup in series history and the second consecutive season at Chicago on *MNF*.

In Week 14, Minnesota earned its sixth victory of the season and fourth at home in a 38-26 triumph over Pittsburgh. Chicago fell 45-30 at Lambeau Field against Green Bay last week.

In Week 14, RB **Dalvin Cook** set the franchise record for rushing yards in the first half with 153, breaking Adrian Peterson's record of 143 (at Seattle, 11/4/12). His 153 rushing yards are the most in the NFL in a half since Ronald Jones' (Tampa Bay) 170 in Week 10 of 2020. Cook tallied his second 200+ rushing yard game of his career, his first coming against Detroit in Week 9 of 2020 when he posted 206 rushing yards. His 205 rushing yards are the most in a single game in the NFL this season, passing Jonathan Taylor's (Indianapolis) 185 rushing yards against the Bills in Week 11. With his 52 catches in just 17 starts, TE **Tyler Conklin** ranks third for most catches by a TE in his first 17 starts in Vikings history, behind Byron Chamberlain (57) and Joe Senser (82).

LB **Eric Kendricks** notched his fifth sack of the season, a new single-season career high. With that sack, Kendricks moved into fifth place for most sacks by a linebacker in a single season with 5.0. S **Harrison Smith** matched his single-season career-high of 3.0 sacks and extended his own franchise career record for sacks by a DB to 16.5.

STAT OF THE WEEK

Since 1987, LB Eric Kendricks is one of only two players with at least 120 tackles, 5.0 sacks and two interceptions through the first 13 games of a season.

Matt Nagy is in his fourth season with the Chicago Bears in 2021 after being named the 16th head coach in franchise history on January 8th, 2018.

Nagy, the 2018 *Associated Press* and PFWA Coach of the Year, has compiled a record of 28-20 in his first three seasons as the head coach in Chicago, with one division championship and two playoff appearances. Nagy also has enjoyed success within the division, going 11-7 against the NFC North, including a 10-2 mark against the Vikings and Lions.

The Bears finished the 2020 pandemic-stricken season 8-8 and clinched their second playoff berth in three seasons, falling to the No. 2-seed New Orleans Saints in the Wild Card round. The Bears started the season 5-1, their best start to a season since 2012, before hitting a six-game skid. Nagy and the Bears rebounded, however, and finished the season strong, winning three of their last four to clinch a playoff berth. Chicago's offense found its rhythm over the final six games, averaging 30.2 points per game, including a four-game stretch with 30-plus points for the first time since 1965.

The season saw its share of individual highlights with LB Khalil Mack and KR Cordarrelle Patterson being named to the Pro Bowl, bringing the total to 14 selections in his first three years as head coach. Wide receiver Allen Robinson II led all Bears receivers for the second straight season with 102 receptions, 1,213 yards and six touchdowns, eclipsing 100 receptions for the first time in his career. It marked the first 100-catch season by a Bears wide receiver since 2013. Running back David Montgomery tied for fifth in the NFL and ranked third in the NFC with 1,070 rushing yards and eight touchdowns. Over the last six weeks of the season, Montgomery rushed for 598 yards with seven rushing touchdowns and one receiving

score. Linebacker Roquan Smith led the Bears with 139 combined tackles and finished the season as the only NFL defender to record over 100 tackles, 10 TFL and at least 2.0 sacks and two interceptions. Kicker Cairo Santos finished the season with a streak of 27 consecutive field goals made, breaking the Bears single-season and overall record for consecutive makes.

The Bears finished the 2019 season 8-8 in a year that saw Robinson become the first 1,000-yard receiver for the Bears since 2014. He finished the season with a career-high 98 receptions for 1,147 yards, becoming one of only three Bears in franchise history to haul in 95+ receptions and record over 1,100 yards in a season. He also led the team with seven TD receptions, the second most in his career.

QB Mitchell Trubisky finished the season with 3,138 passing yards, marking back-to-back 3,000-yard seasons, a feat accomplished just twice before in franchise history.

The Bears also were a force on the defensive side of the ball once again under Nagy and first-year defensive coordinator Chuck Pagano, allowing 18.6 points per game, the fewest in the NFC and No. 4 overall in the NFL.

Four players were named to the Pro Bowl following the season in Mack, DB Eddie Jackson, Patterson and DB Kyle Fuller.

Nagy orchestrated a remarkable turnaround for the Bears in his first year in 2018, taking a 5-11 team in 2017 and transforming them into NFC North champions, capturing AP and PFWA Coach of the Year honors for his efforts. The Bears, who won nine of their last 10 that season, finished the regular season 12-4, the most wins since the 2006 NFC Championship season (13-3), and the most by a Bears head coach in their inaugural season in franchise history. In doing so, Chicago secured the NFC's No. 3 seed and hosted a playoff game for the first time since the 2010 NFC Championship game.

The Bears finished 5-1 vs. the NFC North in 2018, their best mark in division play since 2010, sweeping both the Lions and the Vikings, and finished the regular season 7-1 at home, their best home record since 2005. The Bears averaged 26.3 points per game,

fourth-best in the NFC. They scored 24 or more points 11 times, the most since 1995 and were the only team to hold a second-half lead in every regular-season game in 2018.

On the defensive side of the ball, the Bears ranked No. 1 in the NFL in takeaways (36), interceptions (27), INT returns for touchdowns (5), three-and-out percentage (.268), fewest first downs allowed (278/17.3 pg), fewest rushing yards allowed (80.0 pg) and fewest points allowed (17.7 ppg).

Eight players (Mack, Jackson, Fuller, DT Akiem Hicks, RS Tarik Cohen, Trubisky and OL Cody Whitehair and Charles Leno Jr.) were named to the 2019 Pro Bowl following the season while four (Mack, Jackson, Fuller, Cohen) also earned All-Pro honors.

In 2017, Nagy completed his fifth and final season in Kansas City and his first as offensive coordinator. He was promoted to OC following the 2016 season after serving as co-offensive coordinator with Brad Childress. Prior to that, Nagy spent three seasons as the Chiefs QBs coach.

In his first season as offensive coordinator in 2017, Nagy guided a Chiefs offense that ranked No. 5 in the NFL in total offense with 375.4 yards per game en route to a 10-6 record and an AFC West Division title. The Chiefs also finished sixth in the NFL in points per game (25.9), seventh in passing (256.5), ninth in rushing (118.9) and led the NFL with the fewest giveaways (8). The Chiefs also were one of the most explosive offenses in 2017, tying for fifth in the NFL with 69 plays from scrimmage of 20+ yards.

Quarterback Alex Smith finished the 2017 regular season fourth in the AFC in passing with 4,042 yards to go along with 26 touchdowns – both career highs – and only five interceptions. Also under Nagy's tutelage, rookie running back Kareem Hunt led the NFL in rushing with 1,327 yards and eight touchdowns and tied for first in the NFL with 12 rushes of 20 or more yards, earning Pro Bowl honors in the process. Travis Kelce also earned Pro Bowl honors, leading all NFL tight ends with 83 receptions and finishing second among tight ends with 1,038 yards and eight touchdowns. Nine of his 83 grabs went for at least 25 yards, second most in the league behind only New England's Rob Gronkowski (11). Additionally, wide receiver Tyreek Hill ranked seventh in the NFL with 1,183 yards to go along with seven touchdowns and tied for third with 15 receptions of 25 or more yards – trailing only Pittsburgh's Antonio Brown (16) and Houston's DeAndre Hopkins (17).

In his five seasons with the Chiefs, Nagy worked closely with Smith, who owned a 65.1 completion percentage in the five seasons working with Nagy, ranking first among all Chiefs QBs with at least 700 passing attempts.

In 2016, Nagy helped the Chiefs to a 12-4 regular-

season record, the club's first AFC West title since 2010, the No. 2 overall seed in the AFC and a first-round bye. Overall, Nagy helped the Chiefs to the postseason four times in his five seasons with the club.

In his first year with the Chiefs, Nagy worked with Smith in a season that brought him five 100.0-plus quarterback ratings, one of which was a perfect rating of 158.3 at Oakland. Focusing on ball protection, he coached Smith to an AFC-low seven interceptions with a minimum of 300 attempts and a 1.4 interception percentage, also the lowest in the AFC. Smith also earned his first Pro Bowl selection following his first season with the Chiefs in 2013.

Before joining the Chiefs coaching staff, Nagy spent three years on the offensive staff of the Philadelphia Eagles, serving two seasons as the franchise's offensive quality control coach (2011-12). He was promoted to that role after he served as a coaching assistant during the 2010 campaign. His initial experience with the Eagles came in 2008 and 2009 when he served as a coaching intern during Eagles training camp.

A former quarterback for the Arena Football League, Nagy played six seasons for the New York Dragons (2002), Carolina Cobras (2004), Georgia Force (2005-06) and Columbus Destroyers (2007-08). During his career, Nagy completed 65.5 percent of his passes for 18,866 yards, 374 touchdowns and a quarterback rating of 115.1.

Following his game in Week 14 against Pittsburgh, Jefferson set the team record for most receiving yards in a five-game stretch with 656. He tallied his 15th career touchdown, moving him into a tie for fifth among Vikings players in their first two seasons in the NFL. Week 13 at Detroit marked career highs in receptions (11) and receiving yards (182) for Jefferson. His 2,688 yards receiving ranks third all-time in most receiving yards in a player's first two seasons in their career in NFL history, passing Hall of Famer Jerry Rice (2,497). Jefferson trails only Randy Moss (2,726) and Odell Beckham, Jr. (2,755), who he is only 68 receiving yards shy of passing. Jefferson recorded his 12th career 100-yard receiving game in Week 13 at Detroit, passing Randy Moss (11) and Juju Smith-Schuster (1) for the second-most all-time for players within their first two seasons in the NFL. Only Odell Beckham, Jr. (15) has more. In Week 12 at San Francisco, Jefferson eclipsed the 1,000-yard receiving mark (1,027) on the year. MINNESOTA VIKINGS RING OF HONOR

KEVIN WILLIAMS

The Ring of Honor recognizes Vikings Legends for their contributions to the success of the team on and off the field. Members of the Ring of Honor forever live in Vikings lore. Vikings' Legend Kevin Williams was inducted into the Vikings Ring of Honor on Sunday, October 3, when the Vikings hosted the Cleveland Browns.

Williams was the #9 overall draft pick in 2003 and went on to earn All-Rookie honors and set the team rookie record with 3.0 sacks in a game at Arizona. He went on to start every game he played for the Vikings over his 11 seasons, 177 games including playoffs. Williams played in 2014 with Seattle and 2015 with New Orleans, starting in Super Bowl XLIX for Seattle. For his NFL career, Williams started 202 of his 212 games, including playoffs.

Williams earned Associated Press 1st-Team All-Pro honors in five seasons (2004, 2006-09), was named to the NFL's Team of the Decade for the 2000s and had six Pro Bowl berths (2004, 2006-10). Williams and John Randle are tied for 2nd in team history for Pro Bowl berths by DTs (6) behind only Alan Page's 9 honors.

PRO FOOTBALL HALL OF FAMER

STEVE HUTCHINSON

In August of 2021, former guard Steve Hutchinson was enshrined into the Pro Football Hall of Fame in Canton, Ohio, as a member of the 2020 Hall of Fame Class. During the halftime ceremony in the *Sunday Night Football* matchup against the Dallas Cowboys on Oct. 31, he received his ring.

During Steve Hutchinson's 12-season career he blocked for a 100-yard rusher in 72 of his 177 career games (including playoffs), blocking for a 100-yard runner in 41% of his games. Hutchinson blocked for the NFL's leading rusher 2 times and for the No. 2 rusher 2 times. His RBs led the NFL in rushing TDs 3 times and ranked second in 3 more seasons.

In eight of his 12 seasons, Hutchinson's teams ranked in the NFL's top-10 in rushing yards and were top-5 in 4 of those seasons. Following his departure from Seattle as a free agent (2006), the team did not rank higher than 14th the next 6 seasons while the Vikings jumped from No. 27 in 2005 to No. 16 in 2006 with the addition of Hutchinson. In 2002 Seattle ranked 20th when Hutchinson missed the final 12 games of the season.

From 2003-09 when Hutchinson was playing at an All-Pro level, his teams suffered only 1 losing season in that 7-year span. Hutchinson's teams made 5 playoff appearances, highlighted by Seattle's 2005 NFC title. Hutchinson arrived in Seattle in 2001, and earned All-Rookie honors, joining a team that had not won a playoff game since 1984 and helped the Seahawks to the playoffs in 2003 and 2004 and in 2005 to Super Bowl XL.

BE THE CHANGE

In June 2020, the Minnesota Vikings and the Wilf family announced a \$5 million donation to social justice causes throughout the United States. Following the announcement, the team's social justice committee held a series of meetings to determine how to actively engage the community through player involvement and financial donations during the 2020 season. **On September 8, the team announced nearly \$1 million will go toward the expansion or launch of multiple initiatives in one of three areas of focus: 1) voter education and registration; 2) educational curriculum on racism and Black history; and 3) law enforcement and criminal justice reform.**

VOTER EDUCATION AND REGISTRATION AWARENESS

Working together with the Office of the Secretary of State, the Vikings are using the team's platform to encourage fans to register and safely participate in the electoral process. The Vikings will launch a series of player-led voting content and make it easy for fans to find voting information via [Vikings.com/bethechange](https://vikings.com/bethechange). The team will also help provide personal protective equipment (PPE) for polling workers throughout Minnesota. Additionally, the team has hosted voter educational sessions with the entire Vikings staff and players/coaches in conjunction with Rock the Vote and Secretary of State Steve Simon with the goal of having 100% of the organization registered to vote in the November election.

ALL SQUARE

The Vikings will further expand the team's commitment to [All Square](#), a local nonprofit social enterprise that invests in the minds and lives of formerly incarcerated individuals. Centered on a craft grilled cheese restaurant, professional development institute, and forthcoming civil rights law firm, All Square's mission is to ensure that those impacted by the criminal justice system have the support and opportunities they deserve to become our country's future leaders, business owners, legal practitioners and entrepreneurs. The Vikings engagement will focus on All Square's Fellow & Fellow Alum Fund.

GEORGE FLOYD MEMORIAL SCHOLARSHIP

In June, the Vikings created the George Floyd Legacy Scholarship with a \$125,000 endowment that will generate approximately \$5,000 annually to benefit African American graduating seniors in Minneapolis-St. Paul who are pursuing post-secondary education. The inaugural recipient, Mimi Kol-Balfour, was selected following her essay submission and was informed last week via videoconference by Vikings Owner/President Mark Wilf, General Manager Rick Spielman, running backs Alexander Mattison and Ameer Abdullah, and linebackers Anthony Barr and Eric Kendricks. Kol-Balfour is a graduate of Southwest High School who will be attending Barnard College this fall.

CRITICAL CONVERSATIONS

In partnership with [RISE \(Ross Initiative in Sports for Equality\)](#), the Vikings will host a series of Critical Conversation sessions with Minnesota High School athletic programs to help address issues of race and injustice. Vikings safety Anthony Harris and linebacker Anthony Barr spoke in August to a group of high school coaches to discuss the importance of having these conversations in a team environment. The program with RISE will further formalize the discussions and provide statewide access for Minnesota athletic programs to engage on these important issues.

306: BLACK HISTORY CURRICULUM EXPANSION

In 2016, with a focus on integrating Black history into mainstream U.S. history and developing courses devoted to the African American experience, the Vikings became the first NFL team to partner with Everfi in an effort to bring a [306 Black History](#) curriculum to Minnesota students. The interactive course informs and inspires today's students through history's most important stories of Black women and men who overcame obstacles through grit, strength, creativity and intellect. The digital curriculum incorporates videos from Vikings Legends, provides direct source materials and allows students to explore and reflect on key themes of Black history. Now in its fifth year, the program has since been replicated by the NFL in many markets. In 2020, the Vikings will expand the curriculum from 12 to 24 schools and reach thousands of students.

PROJECT SUCCESS

In 2019, the Vikings partnered with [Project Success](#), a Minneapolis-based organization focused on helping kids develop life-skills, support and confidence so they are more successful and engaged during high school and more prepared for life after graduation. The two organizations took 50 students of color from Minneapolis, along with Vikings running backs CJ Ham and Ameer Abdullah and safety Anthony Harris, to Washington, DC, for a special experience that included a visit to the National Museum of African American History & Culture. The trip was to be replicated in 2020, but due to COVID-19, this year's plan will be a day-long virtual experience and the Vikings and Project Success plan to return to DC in 2021.

FURTHER INVOLVEMENT AND INVESTMENT

The Vikings are also increasing the team's investment in and involvement with the following groups:

- Hennepin County & Ramsey County Juvenile Detention Centers
- Jeremiah Program
- The Link
- Page Education Foundation
- People Serving People

VIKINGS SOCIAL JUSTICE COMMITTEE

The Minnesota Vikings Social Justice Committee consists loosely of 10 members and any player or coach is free to join the meetings. Co-Defensive Coordinator/Defensive Line Coach Andre Patterson has been part of the group, meeting regularly with Eric Kendricks, Anthony Barr, Alexander Mattison, Kirk Cousins, Kyle Rudolph, Ameer Abdullah, Adam Thielen, Anthony Harris and Harrison Smith on social justice initiatives.

Throughout the year, player-driven efforts strive to create meaningful dialogue and change in the community on issues related to building unity, hope and positive community relationships. The Vikings approach includes spending time with young people at schools, community organizations and juvenile detention centers and dedicating financial resources to organizations that work for positive change.

Over the previous two seasons, the Wilf family has made a \$500,000 commitment to the Social Justice Committee (\$250,000 each year). Those dollars were directed toward scholarships for low-income students, school supplies, legal aid for disadvantaged and underrepresented populations and law enforcement relations.

VIKINGS IN THE COMMUNITY

COVID-19 RELIEF

As part of the State of Minnesota's COVID-19 Community Vaccination Program, the state partnered with the Minnesota Vikings on two community vaccination events at Twin Cities Orthopedics (TCO) Performance Center in Eagan. More than 16,000 Johnson & Johnson doses were administered at TCO Performance Center to health care workers and adults 65 years of age or older. Additionally, the State of Minnesota hosted a temporary community vaccination event at U.S. Bank Stadium in Minneapolis, in which 10,000 COVID-19 vaccines were administered.

VIKINGS PARTICIPATE IN TEAM SMILE

Vikings WR Justin Jefferson, LB Troy Dye, S Camryn Bynum and WR Ihmir-Smith Marsette participated in a TeamSmile event with Park Dental at U.S. Bank Stadium. The Delta Club at U.S. Bank Stadium was transformed into a dental office suitable for children to receive free dental care. Afterwards, players and children were able to take photos and play football on the field.

VIKINGS PARTICIPATE IN HABITAT HOME BUILD

The Vikings and Sleep Number partnered to build a home for a Twin Cities Habitat for Humanity family. During the week-long project, current Vikings players CB Mackensie Alexander, FB C.J. Ham, WR K.J. Osborn and DE D.J. Wonnum, Vikings Legends LB Scott Studwell and LB Ben Leber, staff members volunteered to help build a home that fit the homeowner family's needs. The buyer of the Twin Cities Habitat for Humanity home was invited to U.S. Bank Stadium for a game day experience and surprised with Sleep Number 360° Smart Beds.

VIKINGS AND MEDTRONIC STEM FIELD TRIP

Vikings DE Janarius Robinson, T Christian Darrisaw and K Greg Joseph participated in a STEM field trip at the Bakken Museum in partnership with Medtronic and the Medtronic Foundation. Students, players and employee volunteers participated in a Rube Goldberg activity to explore science while fostering teamwork and leadership skills.

KENDRICKS AND HIPPY FEET

Vikings LB Eric Kendricks, teamed up with Hippy Feet to create a line of products that help support homeless youth. Hippy Feet, a Minneapolis-based Benefit Corporation is dedicated to supporting the homeless, with each product sold helping provide transitional employment to young people, ages 16-24, who are experiencing homelessness. Since its launch in 2016, Hippy Feet has been able to provide jobs for more than 150 young people affected by homelessness.

JJETS FOUNDATION THANKSGIVING GIVEAWAY

Vikings WR Justin Jefferson partnered with Groveland Emergency Food Shelf to pass out Thanksgiving meals to those in need. The Jjets Foundation, Jefferson's foundation, donated 100 turkeys at the giveaway.

THIELEN FOUNDATION STADIUM LIGHTS

Adam Thielen and his wife, Caitlin, through the Thielen Foundation, have committed to replacing the stadium lights at Brooklyn Center High School (BCHS). The school's stadium lights were red-tagged several years ago due to safety concerns. Following the safety concerns, athletes have not been able to play games under the lights. The impact of re-igniting the stadium lights will create a lasting impact on the students, staff and Brooklyn Center community.
